WOMAN:

So you want to be a criminologist or maybe have a career in sports science, or maybe you're interested in business. Join us on the 16th of May from 10:00 to 12:00 at the Student Hub Live, where we're going to take a look at these three qualifications and hear from academics and careers and employability advisors about what it's like to work in those professions, how we at the Open University teach those qualifications, and also hear some tips about things that you can do along your studies to support you in your journey.

The Student Hub Live is an online interactive event that's open to everybody. You can engage in the chat and use our interactive tools to tell us what you think. Everyone is welcome, so I hope to see you then-- on the 16th of May from 10:00 till 12:00.
